Gami™

DAD AFTER PAYDAY

There's a memory many Korean families share: Dad coming home after payday, carrying a warm box of fried chicken. After hard times, fried chicken became a small celebration — hot, crispy and shared around the table. In Korea, it's more than a meal. Gami keeps that spirit alive with crispy chicken, Korean sauces and flavours made for sharing.

GAMI FRIED CHICKEN
후라이드 치킨

FROM CRISP TO COATED

In the 1980s, a Daegu chicken shop owner named Yoon Jong-gye coated fried chicken in a sweet, spicy glaze. Korean chicken hasn't looked the same since. Our sauces follow that tradition — crisp chicken, properly coated.
